A big thank you to all those who supported the Club on Love Tennis Day whether it was their time, cakes, lollies etc.

Our assistant coaches were amazing, plenty of visitors and busy all day coaching on the courts.

Ian cooked an amazing barbecue and a big thank you to Eden Catering Ltd who supplied the sausages etc.

Our most successful day yet with many new members seniors and juniors.

Again, thank you too all.

JUNIORS

The Junior programme has now began and great to see so many return. Our full programme kicks off on Friday October 13 – with our new senior coach Alex Turvey and our own amazing assistant coaches.

Congratulations to Fran Walsh and Caleb Matthias who have completed their Coach Assistant Course – I know they are both keen to complete their full coaching certificate next year.

At the moment we are hoping to enter three Junior interclub teams.

We are waiting for the Junior Interclub draw to come out – perhaps some of these players would like to join the coaching on a Wednesday evening!

The committee are aware that this is quite a change for our Juniors with a new coaching team after Ben and Johnno but we have worked very hard to ensure that transition is easier.

Dates to remember:

Tuesday 3rd October – Barbecue evening, bring your own food.
