

WPTC BULLETIN

April 2022

COURTSIDE WITH THE PRESIDENT...

I hope this finds you all well. As some of you will be aware I have decided after 10 years to stand down as President and Interclub Controller. The 2 roles are and should be separate.

President

To ensure the committee and therefore the club is run in an efficient and positive manner. To run the monthly meetings and provide any support required. The passion I showed in supporting all things "club" was my choice and definitely isn't a must do. I just enjoyed it.

Interclub Controller

To organise teams prior to the season and with the help of positive captains assist with any issues. We probably need to take a more conservative approach in the number of teams to make it less stressful.

I will be around and certainly help as much as I can.

Junior Convenor

Lynette has also decided to step aside after 12 years. We really appreciate her efforts. Once again her role needs to be broken down a bit and we need people to volunteer for registration of kids, bar etc.

We have a wonderful club that has great people and facilities and we just need some people to help out

Hopefully you can consider how you can assist
Happy to discuss

Cheers

David

Interclub results

A disjointed season due to Covid.
Super Women's finished 1st = - well done
Elena, Judy, Grace, Nicki and Rosie
Mens 10 - finished 2nd
