COURTSIDE WITH THE PRESIDENT

What a great finals day on Sunday. Congratulations to both Ben Allen and Mei Ling for winning 3 titles. The performance of Ben in winning all 3 matches in 3 sets after losing the first set was truly both amazing in ability and perseverance. They were ably assisted by Alistair and Annabelle in the doubles and combined to win the mix. Also good efforts by Emma and Carter to win their Junior singles final.

COURT RESURFACING

A reminder that the new surfaces on court 1 & 2 are to be laid early in May but hopefully the other courts will be able to be used outside of working hours.

INTERCLUB

Overall some pleasing results. The 2nd grade men finished 4th pre-Christmas and so did not get to the promotion games but won the post-Christmas competition. With a bit of luck, they could have finished 3rd and aimed for promotion – always next year. On the alternative week they play Super Men's 1 and convincingly won the grade – well done.

Here are the other results

President's 2 5th
President's 4 equal 3rd
Men's 3 4th
Men's 7 7th
Super Men's 2 7th

A big thank you to David and his tireless work as Interclub Controller – we managed to get full teams for all games - JUST!
