COURTSIDE WITH THE PRESIDENT...

The handicap events were very enjoyable for those that played and a great success. Thanks to Michele for organising. I urge you to enter the club champs in Feb/March and pit your skills against other members. Would be great to see our intermediates enter and give it a go. The quiz was again a great success thanks to the hard work by Alistair and Amanda. Progress is being made in the playground and we are proceeding to resurface courts 1 and 2 at the end of April. Best wishes to all for the festive season.

2019 ASB Classic
